PROCEDURE AFTER SUBMITTAL

Preliminary Discussion: Preliminary Site Plan Review is intended to acquaint the prospective applicant with the requirements of the Zoning and Development Code ("ZDC"), General Plan, and other relevant city policies and regulations. Applications may be requested by the applicant for any matter, but the Preliminary Site Plan Review is required for annexations, general plan amendments, PAD overlays, zoning map changes, and subdivisions prior to formal application. .

Scheduling on Agenda: Applications will be scheduled for a regular meeting with the appropriate decision-making body only when all required materials have been received.

Staff Report: A staff report on each project will be available on the Friday preceding the regular meeting. This will be mailed, along with a copy of the Agenda, to both the "owner" and "applicant" as listed on the Project Submittal Form and Planning Application, unless staff is requested to hold for pickup in person.

Officer/Board/Commission Meeting: All meetings are held at the Tempe Municipal Building in the City Council Chambers at 31 E. Fifth Street, unless otherwise noted. The Officer / Board / Commission may approve, deny or continue any case with modifications, according to the procedures set forth in the Zoning and Development Code. Check the Submittal Deadlines and Hearing Dates schedule for dates and time of meetings. **The applicant MUST attend or be represented in person, even if the request is proposed for the consent agenda by both staff and decision-making body.**

Action Letter: A letter describing the decision-making bodies action will be sent to both "owner" and "applicant" after the meeting.

Appeal: If the decision-making body denies the request, the applicant may file a formal appeal or that action is final. To do so, a written appeal should be submitted to the Development Services Department or City Clerk by 5:00 pm, with a copy and appropriate fee made payable to the "City of Tempe", within fourteen (14) calendar days of the action.

City Council Hearing(s): If your request includes a General Plan Amendment, Zoning Map Amendment, Planned Area Development Overlay, or Historic Overlay District, your request will be forwarded to City Council. Most cases will hold an "introduction and first hearing" at Council. This is a legal formality which sets the 2nd Public Hearing (action) date at least 2 weeks later. (The applicant need not attend the introduction, but will receive a staff report in the mail.) Some cases will not require a public hearing (only a hearing), and thus do not need introduction. **The applicant MUST attend the (public) hearing or be represented in person, even if the request is proposed for the consent agenda by both staff and Council.**

Note: Public information sheets on various special aspects of the above process, in addition to copies of the Zoning and Development Code and Subdivision Ordinances and the Tempe General Plan are available at the Development Services Department.
